Re: Video Shoot
Semester: Fall '18
Date: 10-30-18
Class: Cinema 33 / TV 55

This is to introduce Dmitry Labzin in my digital video production class for this current semester at Los Angeles City College. In this class each student producer is allowed to shoot and edit two short projects of his or her choice. These projects will not be used for commercial purposes.

This class allows them training in various aspects of video production. The student is responsible for making arrangements for shooting on a location, arranging for interviews, crew, talent, set-up and tear down.

This letter should be valid until the last day of this current semester. Thanks in advance for your participation – feel free to contact me if needed.

Sincerely,

Scott Mazak, MFA
